

July 19, 2013

**Braemar Hills / Gleason Circle / St. Patrick's Lane Neighborhood  
Roadway Reconstruction**

Dear Resident:

The following is a quick update of the project in your neighborhood:

**Neighborhood Reconstruction Schedule**

Early next week, crews will grade the roadway. Notices pertaining to parking will be distributed, as access to your homes during the day will be limited.

The roadway will be open during the grading processes with isolated closures in areas where crews are working. If you have any special needs or questions, feel free to ask one of the workers or me for assistance.

Next week, crews will repair asphalt driveways disturbed by construction and will notify you if this work affects you.

Paving will begin the week of July 29, weather permitting.

**Boulevard restoration**

Crews will continue to restore irrigation systems, pet fences and disturbed turf. If you have an irrigation or pet containment system and have not been contacted by Premiere Lawn's Joe Bartusek, please call 952-292-5370 or email [PremiereLawn@gmail.com](mailto:PremiereLawn@gmail.com) to schedule an appointment. He will do a final adjustment after the black dirt and hydro-seed are placed.

**Communications**

For detailed information about the project, visit [www.EdinaMN.gov/construction\\_braemar\\_gleason\\_stpatricks](http://www.EdinaMN.gov/construction_braemar_gleason_stpatricks). The City of Edina and Northwest Asphalt thank you for your patience and cooperation throughout the project.

Regards,

Jeff Frahm
